I will seek to support political candidates that take a positive approach to allowing companies like Uber participate in the marketplace.

Thank you

Mrs. A. Kravetz

Subject: SC Needs Uber

To Whom It May Concern:

I am a resident of Mt. Pleasant, SC and I would like to voice my EXTREME disappointment in learning that a cease and desist order was issued to Uber.

As an employee of a small business, it is important to see a market that is thriving with competition. Regulation is fine, but let me be clear that the only thing Uber is guilty of is affordable, timely and quality service.

Best Regards,

Emily Jones

Let Uber back in SC! It saving lives helping keep intoxicated people off of the road. They are clean, on time and very polite, unlike the taxi services. Please understand that this is not a good thing.
Thank you.

I ask that you remove the cease and desist order pertaining to Uber. I depend on Uber to get me to work and drive me home safely from spending time with friends on the weekend.
